About the Symposium

The symposium is jointly organised by members of the School of Clinical Medicine, University of Cambridge, the Nuffield Department of Medicine, Oxford University, Sunway Medical Centre, Sunway University and the Jeffrey Cheah School of Medicine and Health Sciences, Monash University Malaysia. It features distinguished experts in the areas of diabetes research, technology and application, from renowned global research institutions such as the University of Cambridge, the University of Oxford, Monash University, Australia and Monash Malaysia.

Speakers will relate their topics to current and emerging healthcare issues in Malaysia and Southeast Asia, such as the rapid rise in diabetes. Presentations will also cover the recent developments in, and the future potential of, diabetes research, techniques and therapies.

Objective and Scope

The main aim of this international symposium is to discuss recent advances in diabetes research and how these are being extended to transform patient care.

Target Audience

- Scientists
- Epidemiologist
- Medical consultants and practitioners
- Academics and researchers
- Healthcare industry representatives
- Allied health practitioners
- Government officials
- Publishers
- The general public with the objective of raising awareness of diabetes as a major emerging health issue

Plenary Speakers

Professor Sir Stephen O'Rahilly

Professor of Clinical Biochemistry and Medicine
University of Cambridge

Professor Nick Wareham

Professor, Honorary Consultant
Addenbrooke's Hospital, Cambridge

Professor Fiona Gribble

Professor of Endocrine Physiology
University of Cambridge

Professor John A Todd FRS

Professor of Precision Medicine
University of Oxford

Professor Rury Holman

Professor of Diabetic Medicine
University of Oxford

Professor Kieran Clarke

Professor of Physiological Biochemistry
University of Oxford

Professor Mark Cooper

Head of Diabetes Department
Monash University Australia

Professor Paul Zimmet AO

Professor of Diabetes
Monash University Australia

Professor Dato' Khalid Abdul Kadir

Professor of Medicine
Jeffrey Cheah School of Medicine and Health Sciences
Monash University Malaysia

Professor Dato' Anuar Zaini Md Zain

Professor of Medicine
Jeffrey Cheah School of Medicine and Health Sciences
Monash University Malaysia

* Full programme will be announced soon

CALLING FOR PAPERS - ORAL AND POSTER PRESENTATION

Besides the plenary sessions, the Organising Committee is inviting submissions of abstracts. Authors are welcomed to submit abstracts under one of the following categories: Oral or poster.

All submitted abstracts will be peer-reviewed by our committees, and accepted abstracts will be included in the post conference publication, provided after the conference. Submitters can select either poster or oral presentation but the final decision will be from the scientific committee.

ORAL AND POSTER PRIZES TO BE WON!

Stand a chance to win one of many generous oral and poster prizes:

- Best Oral Award:
 - certificate and cash price of RM1,000
 - certificate and cash price of RM500
 - certificate and cash price of RM300
- Best Poster Award:
 - certificate and cash price of RM500
 - certificate and cash price of RM300
 - certificate and cash price of RM200

ABSTRACT SUBMISSION GUIDELINES

Below are some of the suggested topics for reference. Other topics are also welcomed.

Abstract Topics/Theme

- Trends and prevalence of diabetes
- Prevention, clinical management and complications
- The healthcare system in managing diabetes
- Therapeutic drugs developments
- Information technology in management of diabetes

Important Dates

First announcement and Call for Papers	1 September 2018
Deadline for Submission of Abstract	1 December 2018
Notification of Abstract Acceptance	15 January 2019
Deadline for Early-bird Registration and Payment	1 February 2019
Deadline for Submission of Full Paper with camera ready format	1 March 2019
Deadline for Registration and Payment for Presenters	20 March 2019
Conference Dates	26-27 March 2019

PAYMENT:

	Early bird (till 1st Feb 2019)	2nd Feb 2019 onwards
Normal rate (presenter/participant)	RM250	RM400
Student rate (proof of student ID is required)	RM150	RM250

Conference registration fees include:

1. Continuous Professional Development (CPD) points (for medical practitioner only)
2. Conference programme booklet
3. Conference attendance and/or presentation
4. Conference reception on 26th March 2019
5. Coffee & tea breaks and lunches during conference
6. Certificate of attendance
7. An e-copy of the post conference publication
